Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The information in this book should be taught in kindergarten . or before . and here s why! Knowing why you say, what you say, the way you say it AND why you do, what you do, the way you do it gives you critically important self-awareness and self-management information. You ll have insight into material that many people aren t aware of or don t practice. You ll have an edge over others. Why? Because you ll know how to maximize your emotional intelligence and present yourself in an authentic, quality way that will help you gain endorsement from others in the shortest possible timeframe. Equally as important, is when you have an understanding of why others say and do what they say and do. When you understand how both you and others are motivated, and therefore behave, in terms of work performance, relationship building, time management, task accomplishment risk taking and addressing conflict, you ll have powerful information upon which to build quality, low stress, respectful bonds that stand the test of time. The information in this book is relevant, timely and applicable across the board: at work, home, in volunteering or even at the sports arena. This content rich book, teamed with the associated self-scoring behavioural styles profile, available from gives individuals, leaders, coaches, mentors, learning and development facilitators and human resource professionals easy to understand, internalize and apply information to use in their personal and professional development activities. This behavioural styles book is only one of the LEARN DO THRIVE (LDT) ebooks, paperbacks and profiles series. They are all easy to read, de-academicized, proven, powerful and priced right learning tools. They are content rich...
