Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

TACKLING DYSLEXIA (PAPERBACK)

John Wiley and Sons Ltd, United Kingdom, 2002. Paperback. Book Condition: New. 2nd Revised edition. 209 x 209 mm. Language: English . Brand New Book. This book describes an approach to teaching which is designed to take account not only of the problems encountered by children with dyslexia when learning to read, spell and write, but also of the nature of the task that the dyslexic child is trying to master. This second edition has been revised and expanded to include new approaches to the teaching of phonics, recent ideas about developing reading skills, the revised National Curriculum and the Code of Practice, and new developments in IT and software for teaching. There are completely new chapters covering early recognition, helping younger children, and difficulties with mathematics, and the sections on testing and monitoring work and on materials and games for teaching have also been expanded to form individual chapters.
