Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Lexie has a medical condition that requires her to spend a lot of time in therapy, at hospitals, and in doctors offices. These experiences aren't always fun. The medicine tastes bad and the shots hurt. Be brave and know that you are not alone is Lexie's message, as she encourages young children who face these same challenges in Brave Just Like Me. By age 8 most children brave getting a shot, taking medicine, an x-ray or two, and quite likely a brief hospitalization or emergency room visit. Among them are those who courageously face repeated hospitalizations, surgeries, feeding tubes, dialysis, EEGs, respiration and heart monitors, and a life-time of therapy. Lexie has a medical condition that requires her to spend a lot of time in therapy, at hospitals, and in doctors offices. She knows first-hand just how difficult, painful, and scary, these experiences can be. Be brave and know that you are not alone is Lexie's message, as she encourages young children who face these challenges in Brave Just Like Me. Brave Just...
