Ninety-Nine Cent Publishing LLC. Paperback. Book Condition: New. Paul Magtrayo (illustrator). Paperback. 132 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This is the new updated version of the Korean War Atrocities. This is the US Senate Investigation and the testimony from soldiers who were captured and escaped. The horrors that they describe are graphic in detail. A past customer complaint was that there was no good photos. I am sorry to say that this testimony was taken 60 years ago and that the photos that I do have copies of are almost unusable. Here is what we did. We hired a Professional Illustrator to Illustrate the book. The illustrations are graphic in nature. Example: one of the soldiers stories describes a Chinese Nurse cutting the toes off of an American soldier with no anesthesia. . . this has been illustrated. Execution of American Soldiers. . . Illustrated. We have also reformatted the entire book for clarity. This was not an easy undertaking when using 60 year old files. Please enjoy this work. . . It is all true and verified. You will read testimony and statements by people that are long dead and gone. . . . but they live on here. . . . each word recorded. General Ridgway made opening statements. Senators you only hear reference to in history books. . . . recorded here. . Senator Charles E. Potter, Senator Joseph R. McCarthy, Senator Henry C. Dworshak, Senator Barry Goldwater. . . . a must have for all History Buffs and researchers. . . . Excerpts. . . When a Red Chinese nurse cuts off the toes of a GI with a pair of garden shears, without benefit of anesthesia, and wraps the wounds in a newspaper, this makes a liar out of Vishinsky, who repudiates his argument..
