Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

KOREAN WAR ATROCITIES SUBCOMMITTEE REPORT STUDIES IN MACROECONOMIC HISTORY

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 30 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. This is the final report. . . . excerpt. . . . The evidence before the subcommittee conclusively proves that American prisoners of war who were not deliberately murdered at the time of capture or shortly after capture, were beaten, wounded, starved, and tortured; molested, displayed, and humiliated before the civilian populace and/or forced to march long distances without benefit of adequate food, water, shelter, clothing, or medical care to Communist prison camps, and there to experience further acts of human indignities. Communist massacres and the wholesale extermination of their victims is a calculated part of Communist psychological warfare. The atrocities perpetrated in Korea against the United Nations troops by Chinese and North Korean Communists are not unique in Communist history, nor can they be explained away on the grounds that inhumanity is often associated with so-called civilized warfare. as stated. . . photos are hard to see because of age. This item ships from La Vergne, TN. Paperback.
