

## New school physics problem-solving method book (high school version). the book

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

*(Prof. Loyce Runolfsson Jr.)*

## NEW SCHOOL PHYSICS PROBLEM-SOLVING METHOD BOOK (HIGH SCHOOL VERSION). THE BOOK

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Publisher: Harbin Institute of Technology Press Pub. Date :2008-06-01. This book consists of two parts: Part IV is electromagnetism. V is the thermal. optics. modern physics. Book topics in the form of high school physics major and difficult were summarized to help readers in-depth understanding of the basic theory of physics. the ability to learn to use physical knowledge to master the correct clever problem-solving ideas. This book is suitable for high school students to read. reference. Contents: Part IV. how electromagnetics to grasp the root problem by studying how the application of Coulomb s law balance the relationship between the three charges are to understand how the problem-solving in the field how the analysis of ten common physical quantities of two equal point charges and the vertical connection how to play a strong variation of the electric field to solve the problem how to use a flexible method for solving a variety of how to expand the use of the electric field strength formula  $E = Ud$  problem-solving and how relatively small potential market strong level of how to use the proportion method for solving a class how the clever use of the electric field is equivalent to replacing the problem method to solve the problem how to use electrical field lines to solve the question of how clever electrical power electrical potential difference method to solve the problem how to solve the problem of how to classify electric force acting resolved charged body in an electric field question how to classify the movement of charged particles in the analytical field square wave qualitative analysis of movement in the field how the trajectory of charged particles in...
