

## Deer Hunting in North America (Paperback)

By David Feist

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Deer hunting opportunities and wildlife management science peaked simultaneously in many areas of North America. Yet, some game managers fell behind, becoming lazy toward their white-tailed deer resource AND their livelihoods as wildlife conservation officers. Then, what was left of them caved to special-interest groups. Wolves returned to whale-watched status overnight -all the way from Idaho to Minnesota. Have you as a hunter .become tired of the same State Game Lands nearest you? .thought about hunting another state or province? .located other Wildlife Management Areas to try? .laid plans to purchase your own hunting property? Are you maximizing the private access opportunities you already have? What do others do when they are as dissatisfied as you with the state game department s performance -like you are in your area? Are your game lands denuded of deer from over-hunting and/or predation, with no plans to timber, no plan of action to return that forest to health? No game plan to ever make things better for the youth hunter? Nothing? Have other hunters choked you out of...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
