A PLANETARY AWAKENING: REFLECTIONS ON THE TEACHINGS OF THE TIBETAN IN THE WORKS OF ALICE A. BAILEY

Blue Dolphin Publishing. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 8.9in. x 5.5in. x 0.6in. Key points from the Ageless Wisdom teachings of the Tibetan provide insight into the challenges and opportunities of our time. As we witness the events unfolding on our planet, we know the future stands in the balance. We are entering a time long foretold in the prophetic writings of the world, when great events are due to occur and enlightened teachers will again come forward. Humanity is fast approaching the threshold of a great spiritual and cultural transformation - unprecedented in the history of life on Earth. Much of this book is a consideration of a teaching that has come to be known as the Ageless Wisdom, embodying ancient principles that have been passed down to us in oral, symbolic and written form. Among its manifold values, this teaching can guide us to an understanding of the subjective factors underlying outer events. It also provides a safe and scientific method of spiritual training that will continue to stand the test of time. Comments by Reviewers From my perspective as a life-long student of the Ageless Wisdom, I think Kathy Newburn provides a clear and easily understandable exposition of the often complicated and complex wisdom that has been given to humanity in the form of what the Tibetan Teacher Himself has termed the intermediate teachings of the Ageless Wisdom - the first preparatory teachings having been given out in the two tomes brought forth by Helena Petrovna Blavatsky in the late 1800s under the titles of Isis Unveiled and The Secret Doctrine. In A Planetary Awakening Kathy Newburn provides a significant glimpse into the forces and energies that underlie the happenings of the times. She easily accomplishes her goal of providing the interested reader with a...
