

The Beardsley Industry : The Critical Reception in England and France from 1893 to 1914

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

THE BEARDSLEY INDUSTRY : THE CRITICAL RECEPTION IN ENGLAND AND FRANCE FROM 1893 TO 1914

Ashgate Publishing, Limited, UK, 1998. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. 166 Pages. For most of his short working life, a fierce debate raged in Britain over the merit of Aubrey Beardsley's black and white drawings. Applauded for their technical skill, though often deplored for their "slimy nastiness". This book examines the critical reception of Beardsley's work, and how it illuminates not only how Beardsley's controversial reputation was formed, but also casts light on two key issues in art history and literary studies - the relationship between word and image, and between critical response and national identity. The author records the British response to Beardsley, the English critics' suspicion of French influence on his style, and the way in which the perception of his life and art articulated the fears and anxieties of the English fin-de-siecle. The book also examines the critical response to Beardsley in France, revealing a different set of preoccupations. Book Description: For most of his short working life, a fierce debate raged in Britain over the merit of Aubrey Beardsley's black and white drawings.
