Though more than fifteen years have passed since Ursula Hegi s Stones from the River captivated critics and readers alike, it retains its popularity, is on academic reading lists, and continues to be adopted by book groups. Also set in Burgdorf, Germany, Hegi s Children and Fire tells the story of a single day that will forever transform the lives of the townspeople. At the core of this remarkable novel is the question of how one teacher-gifted and joyful, passionate and inventive-can become seduced by propaganda during the early months of Hitler s regime and encourage her ten-year-old students to join the Hitler-Jugend with its hikes and songs and bonfires. Hegi funnels pivotal moments in history through the experiences of individual characters: Thekla s mother, who works as a housekeeper for a Jewish family; her employers, Michel and Ilse Abramowitz; Thekla s mentally ill father; Trudi Montag and her father, Leo Montag; Fraulein Siderova, midwife to the dying; and the students who adore their young teacher....
