THE CHAIN MAIL DIARIES (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.What if you were given the opportunity to have 100 vocal freedom. That was then. This is now. Things have changed for me since that time in my life. Well, actually things have changed since I received my diary back after I left it abandoned in a parking lot for a chance stranger to discover and either choose, or deny, to participate in this project with me.after it had been circulated around to God knows where and was read or written in by God knows...
