She must flat-sit until the security system comes back on. When a terrified girl breaks into the flat and June makes the mistake of asking the neighbours for help, she finds herself embroiled in an escalating nightmare, trying to prove that a murderer exists. Over the next 24 hours she must survive on the streets without friends or money, solve an impossible crime, and fight off the urge to buy a new wardrobe. - Christopher Fowler s cult novel features a foreword by Joanne Harris. - The dark reverse of a personal growth novel, a hoot of a crime thriller.
