Lance Thomas is a sexy, young black male who has it all: a high-paying blue collar job, a home in Queens, two cars, a son, and a beautiful wife. He has realized, however, that he is afflicted with dogism, a distorted sexuality that causes men to be unfaithful to their women. Witness Lance as he juggles God, a wife, a son, and a new mistress, all while trying to end his dealings with an obsessed stripper. In the midst of all the drama and deception, Lance realizes that eventually every dog has his day, and he tries to put his cheating ways behind him. It works for several years, but when he quits his blue-collar job to become a bestselling author, he finds himself with loads of money and idle time on his hands. The temptation to cheat has never been stronger, and he s convinced that he can master the art of cheating and cover his tracks perfectly this time. It s not long before he s back to juggling his wife, his mistresses, a love child, and some major baby momma drama. Dogism Saga is an over-the-top relationship drama that will have readers shaking their heads as they laugh out loud at Lance s antics.
