AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Unlike other books classified by age as juvenile or adult we choose to think grandparents enjoy the same stories as preschoolers, and pre-teens can be fascinated by a textbook a parent brings home from an evening class. At least, this is the author s experience. Why not a book then, free of bias and classifications-with stories slanted to a number of age levels and interests? Select your favorites to re-read. Perhaps another will grasp your attention more fully later.
