Brand New Book ***** Print on Demand *****.As Charlotte stood behind the curtain and listened to Principal Miller s extend words of welcome to the audience, many questions ran through her mind. Was her song truly amazing? Would it impress the audience? Furthermore, would she be able to do this and successfully bring the true reason and meaning of Christmas to life? Standing in her forest green spaghetti strap dress, black chandelier earrings, and shimmery size 7 black flats, Charlotte shook her head and smiled. All of her life, she had been a fighter. She had always conquered things she had put her mind to. She had even taken on the battle of Leukemia and won. This was nothing compared to the challenges that Charlotte had conquered growing up. Taking a deep breath, Charlotte told herself that, no matter what, she would do great. After all, Charlotte was a survivor, a conquerer, and last but not least, a trailblazer.
