Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Seeing Europe Backwards The following sketch of a motor trip through Normandy, Picardie, around Paris and environs and up and down the British Isles is not intended as a guide book or fragment of history, but a floating picture in motion as water passing under a bridge. Our pilot at the wheel did service in the Balkans as a dispatch rider during war days, and en route amused us with many tales - among them the story of the famous Scotchman, Sir H L who gave his chauffeur three hearty cheers for a Christmas present. We echo a similar sentiment with respect to our friend and offer - Three earty cheers for Driver Ball! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
