

Jewish Women in Pre-State Israel: Life History, Politics, and Culture (Paperback)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

JEWISH WOMEN IN PRE-STATE ISRAEL: LIFE HISTORY, POLITICS, AND CULTURE (PAPERBACK)

University Press of New England, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. This fascinating interdisciplinary collection of essays brings gender issues to the foreground in order to redress a profound imbalance in the historiography of the Yishuv, the Jewish community in Palestine, and in the early years of the State of Israel. Although male discourse still dominates this field, some initial studies have begun to create an authentic and multifaceted Hebrew-Israeli voice by examining the activities and contributions of women. This research has led to a number of basic questions: What was the reality of life for women in Jewish society in Ottoman and Mandatory Palestine (Eretz Israel), and in the early years of the State? What was the contribution of women to the renewal of Israeli society and culture? What is the place of gender perceptions in the study of the new local identity? The original articles in this anthology forge an innovative response to one or more of these questions, and reflecting the state of research in the field.
