

## Make Your Own Robot

By Magma

Laurence King Publishing, United Kingdom, 2012. Other merchandise. Book Condition: New. 250 x 194 mm. Language: English . Brand New Book. Carries EU Toy Safety Directive CE logo. Have you ever dreamt of building your own robot? Or having the most amazing robot collection on your shelf? For robot obsessive s of all ages, this box-set includes 15 different robot templates, 12 of which have been illustrated by influential artists, plus three blank DIY sheets for you to customize with your own designs. You can create your own set of robots to play with and line up in a colourful display, or to send to friends using the specially designed envelopes included in the box. The robot parts are interchangeable so you can take them apart and rebuild them to bring the machines of your imagination to life. (warning! Contains small parts; not suitable for children under three years old).

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
