Brand New Book ***** Print on Demand *****.Terri Jones lost her brother Tommy on Christmas morning in 2007. After his death, she began having strange dreams and seeing apparitions. During the day, overwhelming feelings of fear and unusual cravings of drugs and alcohol started to plague her, and during the night she and her children were plagued by nightmares that were more real than most people can imagine. Terri knew this activity was somehow related to Tommy s death, and she also knew that it was demonic in nature. What she didn t know was how to stop the spiritual attacks that were plaguing her home, her children, and her marriage. She sought help by visiting many different churches and seeking prayer and guidance from priests, pastors, and friends. Through this experience, Terri learned that angels of God are protecting us even in our darkest hour. God s character is infallible and his faithfulness to us never wanes, even when our faith is at its weakest-or even if our faith is non-existent.
