

Nobody Told Me

By McNish, Hollie

Hachette Australia, 2016. Paperback. Book Condition: New. 1. 15.2 x 23.2 cm. There were many things that Hollie McNish didn't know before she was pregnant. How her family and friends would react; that Mr Whippy would be off the menu; how quickly ice can melt on a stomach. These were on top of the many other things she didn't know about babies: how to stand while holding one; how to do a poetry gig with your baby as a member of the audience; how drum'n'bass can make a great lullaby. And that's before you even start on toddlers. How to answer a question like 'is the world a jigsaw?'; dealing with a ten-hour train ride together; and how children can be caregivers too. But Hollie learned. And she's still learning, slowly. *NOBODY TOLD ME* is a collection of poems and stories taken from Hollie's diaries, one person's thoughts on raising a child in modern Britain, of trying to become a parent in modern Britain, of sex, commercialism, feeding, gender and of finding secret places to scream once in a while. Paperback.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
