Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

LYRICS OF LOVE (PAPERBACK)

Lulu.com, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lyrics of Love is a collection of provocative, poignant spoken word. Its romantic lyrical content, regaling rhyme scheme, and detailed imagery reinvent modern day writing. The controversial topics in this book push societies boundaries of sexuality, religion, and established norms by reflecting on circumstances that are current to the times. Infidelity, women s rights, teenage pregnancy, and inequality are discussed to a great degree in this book. A liberal view point of a diverse nation is encouraged through this collection. Its writings also inspire individuals to find their inner beauty and to not be manipulated by the dark arts of false needs and norms in society. There rests a light of unconditional love deep inside of every person, and this book persuades us to find that light inside ourselves and appreciate every human being for his or her individuality.
